Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. STATEMENT OF UNINTENTIONAL DELAY

The Office Action dated October 26, 2010 was addressed to Donna Holguin of Kraton Polymers at 3333 Highway 6, Houston, TX . Kraton Polymers moved from this address to its current address at 16400 Park Row, Houston, TX in March of 2009. However, Kraton Polymers failed to correct the address for this particular application (so far this is the only application in which this has occurred). Thus, Kraton Polymers was not aware of the Office Action dated October 26, 2010 and did not become aware that the application was abandoned until the undersigned received a telephone call from the examiner in May of this year asking if the abandonment was intentional.

On May 23rd of this year the examiner issued a Notice of Abandonment to Kraton Polymers at the Park Row address and applicant is responding to this Notice of Abandonment with a Petition to revive for unintentional abandonment of an application under 37 CFR 1.137(b). Specifically, Kraton Polymers thru the undersigned is stating that the entire delay in responding to the Office Action was unintentional.

Respectfully submitted,

Date: June 6, 2011
